THE COMPAGNONI FAMILY AFFAIR

Here is a photo of the Compagnoni family's four Things. They are all located in the Waterford, Michigan area and owned by the Compagnoni family. The white '73 is Chuck's, the orange '74 is Gerry's, the yellow '73 is Frank's (The Dad) and the Acapulco is John's (the brother-in-law). All four cars were in the Woodward Avenue Dream Cruise and created more comments and excitements than most of the Hot Rods in the show. They recently added a 5th Thing - a purple '73 for their sister Mary to drive (John's wife) It's definitely a family Thing!!.

Just to add to your envy, here is a picture of Gerry's GMC "Orange Crush Carrier" rig he uses to haul his '74 around town on. :-)
